Application

A non refundable application fee of 400 AED must be paid on the day of registration. No place will be offered by the school until the payment has been made. It is your responsibility to provide all the necessary documents needed for registration with the Ministry of Education. The student will be placed in the correct year group in accordance with the Grade stated in the transfer certificate issued by their previous school. A transfer certificate from the student's previous school is mandatory for all applicants applying for Grade 2 and above, and must be submitted once the applicant has been accepted and prior to the start of the

academic year. Admission into any year group is subject to having passed the previous year as evidenced from the transfer certificate issued by the previous school. The final decision regarding admission and placement remains with the Executive Principal.

Rak Academy Child Protection & Well Being Procedure:

RAK Academy is committed to safeguarding and promoting the welfare of children and young people in accordance with the admission procedures:

- The Academy reserves the right to request information related to the educational needs and welfare of the child from his/her previous school/setting
- · The Academy will share requested information regarding leavers with their new school/setting

Testing

RAK Academy applies the same testing system for all Primary Schools(BSK/IPK/BSH/BSR). Students not accepted in one school cannot re-apply for the same academic year to any of the schools.

Transport

Transport offered by the school is on a first come first served basis. Applying for a place on the school bus does not guarantee availability. Confirmation that a place has or has not been offered on the bus will be given once the number of available places is known. RAK Academy does not offer transport for students under the age of 4. If there is availability on the bus once a child has turned four years old, an application can then be made.

Fees

A registration payment of 5000 AED must be made once the student satisfies entrance requirements and within 10 days of receiving the acceptance notification. The remainder of the term fees should be paid by August 23rd 2020. The 5000 AED payment will be deducted from the first term fees as an advance payment and can not be refunded unless you notify in writing, email or fax the school's Finance Department of your intention to withdraw by **July 5th 2020.** The school fees cover only the cost of the tuition / books and do not include the cost of transportation, uniform, trips or examinations. These additional costs will be charged as extras. The payment for the term's fees must be paid on or before, the due dates mentioned below. After this date, fees will be considered late and a reminder letter will be issued. The final dates for payment of fees are as follows:

1st Term- 23rd August 2020 2nd Term- 13th December 2020 3rd Term- 28th March 2021

Following the guidelines set out by the Ministry of Education, up to three reminder letters will be issued by the school stating the deadline before which the payment must be made. After this, the school then has the right to prevent the student from attending school until the outstanding fees have been settled. The same conditions also apply to the late payment of bus and examination fees.

I have read, understand and agree to the above terms and conditions.
