# Student Guide to Google Classroom

1. Each student has been given a Google Classroom log in. This is their student number followed by @rakacemy.net

   e.g. 1234556@rakacademy.net

   All passwords have been set to **Raka1234**

   In order to log onto your Google classroom, you will have to log into your Google account. Open the Google account Log in Page on the website browser.

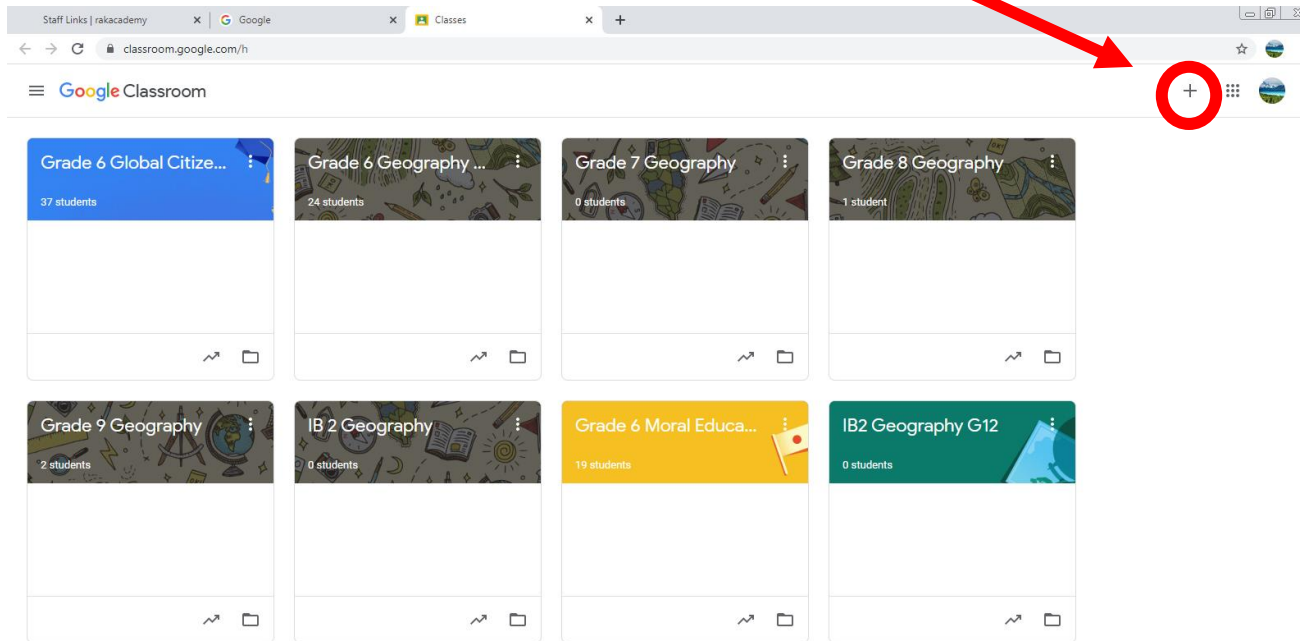

2. Once logged onto your Google Account you can access the Google Classroom as shown below:

Click onto the button highlighted and scroll down to 'Classroom' link

3. You will have a class code from each of their subject teachers this will give you access to the online classroom.

    To join a classroom, click on the button highlighted below

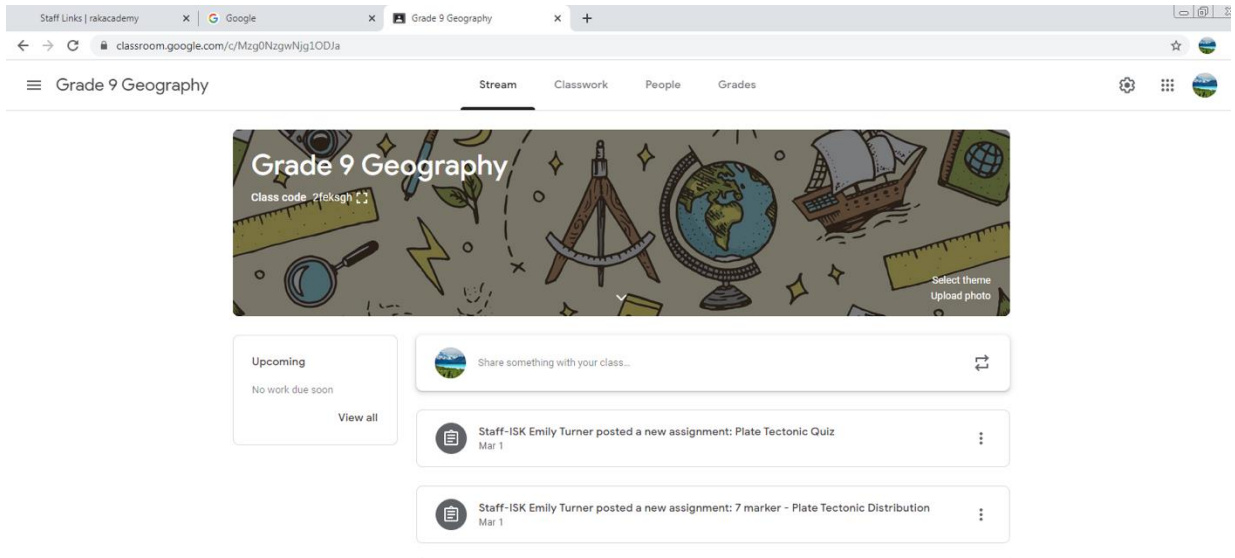

Click on 'Join Classroom' and enter code

4. You may need to join a number of classrooms in order to access the work from different subjects.
   Each classroom will look like this:

5. Classwork will be posted in the 'Classwork' Tab

6. You will be able to access the online learning resources in the Classwork Tab. Teachers will post lesson material, worksheets and projects you to complete in this area.
